What will I be doing?

1. Ticket/Programme Sellers

Tickets may be sold on the door at some Festivities events. Programmes may also be available. The Front of House Manager may ask you to assist with sales.

Please note that bookings on the door can be made in cash or with the card machine, depending on what event the card reader will be at. Do offer this service to the customer/s.

Always be careful when giving change; take your time, but work as fast as you comfortably can.

Concessions are available (where indicated) to Senior Citizens, Full-time Students, Children under 18, Jobseeker Allowance Claimants, Income Support Claims and Disabled Patrons. ID must be shown by the customer, in order to redeem this concession.

2. Ticket Takers/Ushers

Tickets will be printed by the customer via our box office TicketSource, and they may have ones printed and posted to them from TicketSource. They may also have a mobile phone ticket and this is acceptable. There will be an audience list of names to use to tick off attendees on arrival.

You may be asked by the Front of House Manager to assist audience members with seating by helping latecomers find seats.

3. Crowd Control

It is important that the lobby and/or venue entrance are clear and orderly. There should be two lines: one for ticket buyers and one for ticket holders. The Front of House may ask you to assist in directing audience members as they arrive in to the appropriate line.

We may also ask you to be posted on certain areas of the stage during the performance interval (if applicable) to deter patrons from walking up or on to the set.

4. Audience Surveys

In order to develop and improve, Portsmouth Festivities will be asking attendees to complete an online survey of their experience at any event they attend. This can be found on the Festivities website.

Working with the public

You will be representing Portsmouth Festivities at all times during your work. You may be the only person they meet. Please be professional and helpful – and have fun!

Seek advice immediately from the Front of House Manager if you are unsure about or not able to cope with a situation.

Evacuation Procedures

Your Front of House Manager will run through the fire evacuation procedure for your venue at the start of your shift.

However, the key points to remember when evacuating, no matter which position you are in, are:

- Keep calm.
- Stay alert.
- Prevent panic.
- Keep people moving and tell them clearly 'THIS WAY PLEASE'.
- Use large gestures to direct the public out of the building.
- Never state the cause of the problem or say the word 'FIRE'.

The evacuation will be managed by the Venue Duty Manager and Festivities Front of House Manager

If you see a fire, or a member of the public notifies you of a fire, inform the FOH Manager immediately.

Upon discovering a fire or being alerted to a fire, the FOH Manager will immediately alert to venue Duty Manager. If the Duty Manager is not in the immediate vicinity, the FOH Manager will proceed to the stage area and signal to the Sound / LX operator and make an announcement to the audience:

'Ladies and Gentleman we need to evacuate the building. Please remain calm and use all exits as directed by Front of House staff.'

Venue Duty Manager/Festivities FOH Manager will telephone 999 for the Fire Service.

The Venue Duty Manager/Festivities FOH Manager will carry out a final check of the auditorium and exit to the fire evacuation point.

House Rules

- **All fire exits must be kept clear of obstruction and closed at all times.**
- Should an evacuation be necessary, each member of Front of House staff must make their way to emergency exits immediately to direct patrons away from the building and to the assembly point. FOH Manager will make Volunteers aware of the assembly point at the start of their shift.

- All FOH Volunteers have a responsibility to co-operate with their FOH Manager to achieve a healthy and safe workplace and to take reasonable care of themselves and others. Whenever an employee notices a health or safety problem which they are not able to put right, they must straight away tell the FOH Manager.
- Each venue will have a First Aid trained member of staff present, with access to a First Aid Box. The Festivities has an Accident Book, which will be held by the FOH Manager. All accidents must be reported to the FOH Manager and recorded in the Accident Book as soon as possible.
- **Smoking is strictly prohibited within and around all Festivities venues.** Smoking is only permitted outside.
- Keep mobile phones off or on silent during your shift.
- Where appropriate, technicians will be working at the venue to provide and operate lighting and sound equipment. The Control Area is strictly out of bounds to all Festivities FOH staff.
- There will always be a Duty Manager present during your shift(s). This person is responsible for ensuring the health and safety procedures are carried out as stated in the venue's policy documents. So, if you have any questions or concerns during your shift... **ASK YOUR DUTY MANAGER!**
