

Reignite Portsmouth

Ports Fest are announcing an OPEN CALL for 3 community-engaged practitioners/artists/organisations working in any art form(s).

Any work will culminate in a live event to feature during Ports Fest 30th June – 3rd July 2022.

An event could be a workshop, live show, hybrid show, live participation, exhibition, etc.

Selected artists/companies will work in response to one of the 2022 Festival themes which is 'Reignite'. We want this work to reignite people's passion for all things Portsmouth. We are looking for the best return for the public.

The opportunity has been designed to provide scope for unlimited imaginative, and probably unexpected ideas, a chance to work creatively and create new work that brings communities together and reach new audiences who don't regularly experience the arts (please note, this opportunity is not currently open to creative partners).
